

NURSE LEADER ROUNDING: QUICK TIPS TO GET STARTED

Before you start, REMEMBER:

- This is about the patient, not about the leader
- This is a discussion, not a checklist
- Where you start makes a difference

Introductions:

- INTRODUCE self: Use term “Nurse Leader”
- INTRODUCE round and time expectation
- MANAGE UP your team
- SET EXPECTATIONS of care

Next Steps:

- What does the patient tell you that is an “empathy cue?”
- What follow-up do you need to do?
- How can you support the staff?

At the center of
your organization
is your nurse
leaders, and at
the center of
your nurse
leaders is Radius.
